

PAC Opt-Out

In 2006, the Citrus College Faculty Association unanimously approved the creation of a Political Action Committee to raise money for Board of Trustee elections. The money comes from 10% of your local dues being diverted from the CCFA General Fund to the PAC fund.

If you wish for this money to not be diverted to the PAC fund, you must “opt out” by signing this form and returning it to Dave Ryba by Friday, 9/27/19. This decision does affect what you pay in dues, but does affect how that money might be spent.

I, _____(print), wish to withhold funding of the CCFA PAC fund for the 2019-2020 academic year.
